

Ursa's Lair

Creative use of Space.

- Two bedrooms, 2 baths. 1,632 square feet.
- Great entry: a weather-protected covered rail porch.
- Seems like a much larger home—thanks to high ceilings and imaginative floor plan.
- Radiating around central gourmet kitchen: the dining room with entrance to rear courtyard—and living room off the private patio.
- Master suite with vaulted ceiling, large private bath and walk-in closet.
- GetawaPlus guest bedroom with private bath.
- High tech wiring—OnQ® smart house technology. Interesting options.
